The "**YOMODA**" Principles

= 🌸 Ehime's **YOMODA** ?!

What is **YOMODA** ?

"Carefree", "easy going" - YOMODA has many colourful meanings and is a word for friends. Taken from the home of Haiku; Ehime Prefecture's Matsuyama (IYO) dialect, it has tender, light-hearted and sarcastic, high-spirited meanings?!

As the name of our kitchen suggests, there is no limit to what we can cook. Based on the Matsuyama's "Yomoda Principles", enjoy cooking and expand your international friendship circle together at KITCHEN YOMODA!
